

# The Lehmans in Puerto Rico

## Seguimos Adelante!

Greetings to you all as we enter the season of Lent!

We first wanted to thank all who reached out after the fire. We have been overwhelmed by the response and help of so many! Thank you! We cleaned the property and are now waiting for insurance to do their part. Thankfully, we've been able to continue with our regular church activities. The Lord is Good and faithful always!

We continue with the weekly English homeschool meetings in Ponce. Pastor Lehman prepares a short lesson on a bible story. In the picture above you see our ever-growing group listening as pastor reads from a children's bible. This is a wonderful group of families who have been become friends of this congregation.

In a bit of exciting news, we have begun the work of starting a mission plant in San Juan (the Capital). We have had various people reaching out and showing interest in the Lutheran Church. Pastor Adam and Pastor James have been meeting with all the interested people. They even have an idea for a meeting location! Please pray for the mission plant. Pray that the Lord will continue to bless this plant in San Juan as He is already doing in the other congregations.

As a family we are doing well. The kids are plugging along and looking forward to summer! Hannah is graduating high school this year and is planning to stay in Puerto Rico for college. It is an exciting and overwhelming time for her. So many things are changing! Pray for her as she completes one chapter in her life and starts another as a college student! Pray for Noah, Abigail and Jonah as well, that they are focused and work hard for the rest of this school year!

Members, friends, and neighbors helped clean after the fire.

Our outside tents ripped. This allowed time for a hummingbird to make a nest and lay two eggs!

Pastor Lehman creating the numbers for our new hymn boards.

Completed and ready to hang hymn boards!
